

**SECTION 02270**  
**EROSION CONTROL**

**PART 1. GENERAL**

**1.01. REQUIREMENTS OF REGULATORY AGENCIES**

- A. Erosion and Sedimentation Control Plan:
  - 1. Conduct soil erosion and sedimentation control work in accordance with rules, regulations and requirements adopted by the Pennsylvania Department of Environmental Protection (DEP).
  - 2. Detail requirements for the control plan are described in an Erosion and Sedimentation Control Manual which may be obtained from the Bureau of Water Quality Management, Division of Management Service, Bureau Service Section, Harrisburg, Pennsylvania.
- B. Fines and related costs resulting from failure to provide adequate protection against soil erosion and sedimentation are the obligation of the Contractor.
- C. Erosion and sedimentation control measures employed will be subject to approval and inspection by the Pennsylvania Department of Environmental Protection.
